

INTERNATIONAL SOCIETY FOR ANIMAL CLINICAL PATHOLOGY

NEWSLETTER

Dear members of the ISACP,

No, there is nothing wrong with the logo. As a consequence of the discussion during the last 4 years, at the Istanbul Business meeting the members agreed to change the name of the society into International Society for Animal Clinical Pathology.

As a consequence of this change, the website also changed. Now all information can be found at the new website (thanks to Mary Christopher, who did this excellent job):

WWW.ISACP.ORG

All information about the society can be found at this website.

NEXT MEETING

The most important note for the time being is the announcement of the next meeting. The next meeting will be held in Spain, Barcelona. Josep Pastor will be the congress chair of the XIIIth Congress of the ISACP on **30 Sept to 3 October, 2008**. The meeting will be held in conjunction with the ESVCP meeting. More information will be forthcoming.

Anyone who will be at the ESVCP meeting in Budapest this September and would like to discuss plans for the ISACP meeting: please let Dr. Pastor know (Josep.Pastor@uab.cat). Please bookmark this date in your agenda (or outlook) and wait for upcoming news.

Regarding your email address

All correspondence and news of the ISACP is coming by email. That's saving a lot of money. Postmen can read an address even if it contains some mistakes, but an email address has to be correct. So it is very important that any change in your email address is forwarded to the secretary (guillaume.counotte@tip.nl).

Bad news

Sometimes, not all the news is good news. We sadly inform you that Eitan Bogin, one of the Society's founding members, died April 22, 2007. We look forward to recognizing Eitan and his many contributions at the 2008 Congress.
